

## **GOAL: INVITE 1.5 MILLION MORE PEOPLE TO MEET JESUS IN INDIA**

To be a Christian in India is to live in a world that allows, protects, and even encourages violence against you. Our brothers and sisters in India know this all too well. We receive weekly reports of people beaten, dragged out of church, or even killed just for worshipping Jesus. The government, at the highest level, desires all citizens of India to become Hindu. Religious Freedom Laws forbid conversions to another faith unless it is to Hinduism. Certain political parties have groups that seek out Christians in order to harm them.

The Pocket Testament League has four Partners who, in the face of death, have organized believers to reach millions of people for Jesus in India by leading with the Word of God.

Our Gospels are in every language in the Northern half of India, where most of the unreached people groups are located. We work largely in Northern India (the Hindu Belt) and Eastern India. Partners empower and equip churches, ministries, and pastors to selflessly share the Gospel, even in the face of persecution and sometimes death. For their own safety, we protect their identities.

**Since 2018,  
8,827,500 people  
have been given  
the opportunity to  
meet Jesus**

**We only need \$255,000 to reach our goal. The direct cost of inviting a person to meet Jesus in India is \$0.17 cents a Gospel.**

All funds are for the direct cost of printing, shipping, and sharing Gospels of John in the field. Since 1893, The Pocket Testament League has been mobilizing and equipping Christians to Read, Carry, and Share® the Word of God.

This work will take place in every state in Northern India (the Hindu Belt) and Eastern India. This is where most unreached people groups reside. Each church, leader, and evangelist has established a personal goal regarding how many people they will reach. Gospels are then provided to hundreds of distribution nodes.

**Our goal is to  
invite 1.5 million  
people in India  
to meet Jesus by  
September 2024.**

Success will be measured by:

1. Producing and delivering in India 1.5 million Gospels of John in various languages. This effort involves trucks, cars, motorcycles, bicycles, and even rafts!
2. Mobilizing hundreds of church pastors, leaders, and evangelists with Gospels of John
3. Engaging 1.5 million people with a conversation and providing them a Gospel of John.

Outcomes will be carefully tracked and reported, including the following targets:

- Over 200 church leaders will be strengthened with the tools they need to further their ministry work among unreached people groups.
- Engage 1.5 Million People in Northern India over 11 months from November 15, 2023 to September 1, 2024
- Northern India will continue to be transformed as whole villages turn to Christ.
